ARTICLE III PLAYER ELIGIBILITY PARAMETERS

3.1 General

3.1.1 Eligibility

3.1.1.1 Varsity

Students must be in the 9-12 grades and attend school full-time to be eligible for a team. Full-time attendance shall mean a student is taking two consecutive semesters of four classes at his or her school per year. A player may appear on only one (1) roster filed with the LAKHSHL.

3.1.1.2 Junior Varsity

3.1.2 Age Restrictions - Maximum Age

Any player turning nineteen (19) prior to September 1 for the upcoming season is not eligible to participate for that season.

3.1.3 Private School Students

In the event that the private school they attend is not represented by a team in the League, the student shall be eligible to play for the LAKHSHL district team in the district where students reside, subject to the rostering rules under Section 4.2. Districts are designated by the LAKHSHL.

3.1.4 Home Schooled Students

Home-schooled students residing in a school's or district's attendance area are eligible to play only for the team representing that school or district (home-schooled children are not eligible for teams representing private schools), subject to the rostering rules under Section 4.2. Home-schooled students will be considered as attending the represented school or district for purposes of roster composition.

Home schooled children must turn 14 prior to September 1 of the year in which a season begins to be eligible for both Varsity and Junior Varsity. Home-schooled students must also meet the maximum age limit set forth in section 3.1.2 above.

3.1.5 "Visiting" Players

Players shall not be eligible to play for a Member Team if such player is rostered on another ice hockey team outside the Southern California area during the current season, unless such player permanently relocates from such area to Southern CA. Players relocating to the area must comply with the deadlines set forth in sections 3.1.2, 3.1.8, 3.1.9, and 3.1.10. Players, officially rostered on the out of town team, returning from an out of town ice hockey team after the December 31 deadline to finish the current school year in the Southern California area will not be eligible to participate in the League during such season.

3.1.6 Tryouts

Each Member Team will be responsible for assisting the league with scheduling and coordinating try-outs. Try-out sessions may not be longer than 2 on ice sessions, 60 minutes each.

3.1.7 Junior

Players rostered on any Junior Club (Any Tier) as of September 1 AND participate in 1 Junior level game will not be eligible to participate in the league for the remainder of that season.

3.1.8 Tier I

Players rostered on a Tier I team may play on either Varsity or Junior Varsity

Players rostered on a Tier II team may play on either Varsity or Junior Varsity

3.1.10 Anaheim Ducks High School Hockey League

No player may be dual rostered on an Anaheim Ducks High School League team and an LAKHSHL team.

3.1.11 Proof of Eligibility

Each player will be required to show, prior to the team's first game, a physical school ID indicating they are a student for their rostered school and a full-time student. The team will then be required to keep a photo copy of each rostered player's school issued ID. Any player which has not completed this by the specified date above may not be eligible to participate in any League games until the school ID has been verified to a member of the League administration. If a school ID proves to be incorrect, all games played with that student-athlete will be forfeited.

3.1.12 Multiple District Teams

In the event that a Member Club has enough players to create 2 district teams subject to team player maximums and minimums from Article IV , the League reserves the right to determine the proper player selection process needed to create 2 separate teams. The creation of 2 district teams in the same districts is also subject to section 2.1.2.

3.1.13 Roster Deadline

No individual may be added to or deleted from a team's roster after the team has completed 50% of its scheduled league games **OR** November 30th, whichever comes first. Any player moving into the school or district in question after November 30th may practice with that team, but not play in games; provided such team has less than 30 players on the official roster at that time. No player may be added to a team, at any time, which already has thirty (30) players on the roster.

3.1.14 Playoff Eligibility

Players must participate in 50% of the league games to be eligible for playoffs. This requirement includes Tier I and Tier II players. "Participate" shall mean the player's name appeared on the official score sheet for a game and that the player was verified by a League official as one of the up to twenty (20) players dressed for that game. Games missed due to verifiable injury with a certified medical professional note will be counted as games played for play-off eligibility. Varsity teams may use JV players in Varsity playoff games as long as they have played JV for a minimum of 60% of the league games during the season. Such players must have been added to the official USA Hockey roster as described in Section 3.1.13. Varsity players may not appear on a JV roster, as described in under rule 6.7.

3.1.15 Exceptions

Any deviations from the standards set forth herein shall be at the determination of the League. Persons or teams seeking such deviations shall submit, in writing, a request for an exemption to the League Commissioner prior to November 1 of the League Year for which the exemption is sought. The League shall make a final determination of all such applications no later than November 15.

Matters must be communicated to the League no later than November 5 to ensure that a decision with respect to such matter will be reached for the upcoming season. If application is not submitted prior to November 5, the League cannot guarantee determination of eligibility for the upcoming season and the affected player(s) will most likely not be considered for eligibility until the following season.

3.1.16 Early Graduation

The league will not penalize a player who qualifies for early graduation, as long as the player in question began the season enrolled in the high school for which he/she is eligible to compete.

If and when an early graduate should enroll in a college or university, his/her eligibility to participate in sanctioned high school hockey play shall terminate when he/she begins taking classes on a full- or part-time basis.

3.1.17 No Pass/No Play

The Los Angeles Kings High School Hockey League (LAKHSHL) strictly enforces the No Pass/No Play regulations for the Varsity and Junior Varsity divisions.

A player must be a "student in good standing" at his/her school according to the academic pass/play rules for his/her school. To be eligible to play, all players must provide their coaches or a team official with a copy of the most recent grading period

report card. THE LEAGUE MAY REQUIRE THE SUBMISSION OF THIS GRADE RECORD AT ANY TIME. FAILURE TO PRODUCE THE GRADE RECORD WILL CAUSE THIS PLAYER TO BE DECLARED INELIGIBLE.

Any player that is not academically eligible according to his/her school will not be allowed to play in any regular season or post-season games until such time as he/she becomes academically eligible according to their respective school.

This suspension is in effect until the student/athlete is reinstated by the school authorities. All member teams must abide by the following rules:

- a) Each team is required to obtain a copy of their respective school's academic eligibility rules. If there are none, CIF rules will apply.
- b) Each team is required to complete an academic eligibility report for each grading period, which lists every player on their official USA Hockey **roster that is not in good standing only**. This report will declare those players as being academically ineligible. This report must be signed by both the team representative/manager and the head coach.
- c) Each team representative/manager will be required to verify the academic eligibility status of every player on the team's official USA Hockey roster each grading period. The representative/manager can satisfactorily meet this verification requirement either by reviewing the student's report card each grading period or by receiving a signed academic eligibility status report by a school official (i.e. Principal, vice-principal, club-advisor or counselor). This report need only declare whether or not the student is considered by the school as being academically eligible or ineligible according to the No Pass/No Play rules.
- d) Any player for which verifiable documentation as listed above is unavailable for any reason will be listed as ineligible and not allowed to participate in any games until the academic eligibility can be verified.
- e) A student that receives an "incomplete" on a report card for any grading period is ineligible until such time as the work is completed and a final passing grade rendered. An "incomplete" grade is considered the same as a failing grade until replaced with a passing grade.
- f) A student that is protesting a grade on a report card for any grading period is ineligible until such time as the protest is concluded and a final passing grade rendered.
- g) All students must maintain a 2.0 or above in all subjects each grading period in order to be eligible to play.
- h) If a student is considered eligible by their respective school to participate in any other CIF approved sport, then he/she is eligible to play high school hockey in the LAKSHSL.

3.1.18 School Suspension

Any player who is placed in the alternative education classes, suspended out of school, or placed in in-school suspension is not eligible to compete in any League scheduled regular season or post-season games until he/she has been back in the regular classroom setting for one complete school day. Should a student elect to withdraw from public school and enroll in either a private school or be home schooled while he/she is in or have been placed in alternative education classes or are under any type of school imposed suspension by the public school, that student will not be eligible to participate. He or she must be a "student in good standing" at his/her public school and have completed any and all disciplinary

requirements or other suspensions or required attendance in alternative education classes assigned by the public school prior to withdrawing from that school. Should the student physically change addresses and become part of a different public school district while the student was attending alternative education classes at the previous school, the student must become a "student in good standing" at his/her new public school according to the rules of the public school the student is attending. This suspension is in effect until the player/student is reinstated by the school authorities.

In order to participate in the LAKHSHL, the player must be a student in good standing in his/her respective school. Generally, if a student would otherwise be eligible to play a CIF recognized sport for their respective school, then he/she is eligible to play high school hockey.

3.1.19 Maximum Number of Seasons

A player shall not participate in more than four (4) Varsity seasons, if a player becomes ineligible during the season (i.e. due to grades or suspension), this period shall count as part of, or as a full season. A player who joins the JV Division in 8th grade may participate in no more than 5 combined Varsity or JV seasons.

3.1.20 Concussions

A player who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time for the remainder of the day. A player who has been removed from play may not return to play until the athlete is evaluated by a licensed health care provider trained in the evaluation and management of concussion and **receives written clearance** to return to play from that health care provider per CAHA established guidelines. All coaches (or team managers) are required to notify a league administrator within 48 hours of all concussions. Prior to the player returning to the ice in ANY capacity (i.e. for a game OR a practice), a copy of the written "return to play" clearance shall be maintained in the Team Manager file and a copy shall be provided to the LAKHSHL Commissioner or his designee. Failure to do either will result in a penalty at the discretion of the LAKHSHL Commissioner. Additionally, two or more violations of this rule may result in permanent dismissal from the LAKHSHL for the player, coach, team representative, administrator, or other school official designated with oversight responsibilities.

3.1.21 Registration Fee's

Any players who are delinquent with their registration fee past 60 days will be suspended until payment has been completed.

ARTICLE IV HIGH SCHOOL TEAM ELIGIBILITY PARAMETERS

4.1 Public/Private Single School Teams

The Los Angeles Kings High School Hockey League encourages the growth of high school hockey and the addition of new teams to the league. When a new team is formed, players attending the school(s), or district, which comprise the new team will be required to play for that team, regardless of where they played in previous seasons. No players will be "grandfathered." All other players attending the new member school must play for the new member team regardless of past affiliation. The decisions of the league will be final in all cases involving eligibility.

4.2 School Teams

4.2.1 Roster Composition (Varsity & JV)

Participating schools are encouraged to roster 100% from the active student body (Pure), for both Varsity and/or Junior Varsity division. Schools must complete a "pure" roster, with a minimum of 17 players, prior to the addition of a second team to the program. If the school cannot complete a "pure" roster, the following rostering rules will apply for the single team. Schools can roster players that do not attend that school to complete their roster. Students that do not attend the named school must reside in the school district of the named school. A

player's eligibility will be determined by his primary residence and school ID (Section 3.1.9). If a player is rostered on a "club" team, they are only eligible to play on the high school team within the district they reside, if their school does not have a team.

Schools can roster home schooled players to fill needed spots, as outlined in 3.1.4. Home schooled players can account for up to 6.7% of the total rostered players. This is a maximum of 2 home-schooled players per team. Teams with 14 rostered players have 1 home-schooled player and teams with greater than 15 rostered players can have 2 home-schooled players. Once a home schooled player is rostered with a school, he/she should remain part of that school for his/her entire LAKHSHL playing career. If a new school (or district) in which the home schooled player resides is added to the league, the home schooled player will be required to play for that school or district team. If a home schooled player wishes to change schools (other than his new school or district team as mentioned above), he/she may do so, but will be required to sit out from the LAKHSHL for one (1) season. Home schooled players must remain on one roster if the school offers more than one team (i.e. they cannot be rostered on Varsity and Juniors Varsity.)

Schools/Teams that cannot meet "pure" rostering requirements from one school can roster students from within the common school district. This will then be known as a "District" team and all the rostered players must reside within that district. In an effort to maximize the "essence of High School Hockey", district teams will be evaluated by the League Rules Committee for district composition and student enrollment. District teams will be limited, by the League, to which schools players can be rostered from to generate their official USA hockey roster. As potential districts get added, or existing districts remain in the league, these eligible schools within districts will be reviewed by the league and be communicated to districts prior to try-outs. This will be reviewed on a yearly basis.

Schools that for whatever reason cannot meet these roster requirements may petition the LAKHSHL for a waiver or exemption. Such petition must be made prior to November 15th of the relevant league year. In all cases, the Los Angeles Kings High School Hockey League has final authority over all teams.

4.2.2 School Transfers

Players transferring between participating schools, or districts, after September 1st of each season will be required to play for the original team they were originally rostered for the remainder of that season.

4.3 Enforcement (False Residency Clause)

Any team which uses a player who does not satisfy the requirements set forth herein, shall forfeit any game(s) in which such player participates. The official score of such game shall be 3-0 and all individual statistics shall be recorded as if there had not been a forfeit. Players violating the requirements will be suspended from the League indefinitely. The Head Coach will receive an automatic, unpaid, 30 day suspension.

4.4 Establishment of Team Parameters

The League shall establish parameters for all teams for the upcoming season no later than the April 15th immediately prior to such season. Such parameters will be established pursuant to the guidelines set forth herein.

ARTICLE V LEAGUE SCHEDULE – GENERAL

5.1. Game Schedule and Location

The League will schedule games each season based on ice availability. Ice availability will

dictate the final number of home and away games for each team.

5.2 Tournaments and Scrimmages

Member teams may play in games other than League Games. However, League Games take precedence over other games. Any team not participating in a scheduled League Game shall forfeit such game and shall be subject to such disciplinary action as is deemed appropriate by the League. All officiated home scrimmages/games are under the jurisdiction of the Los Angeles Kings High School Hockey League.

5.3 Organization of Teams by Conferences and/or Divisions

Organization of Member Teams into Conferences and/or Divisions shall be at the discretion of the League. The goal of such alignment shall be to provide a relatively balanced playing schedule, to promote geographical and traditional rivalries and to conform to State Championship divisional organization.

ARTICLE VI **LEAGUE GAMES**

6.1 General

The rules and regulations set forth in this section shall be applicable to all League games including Regular Season Games and Playoff Games for both Varsity and Junior Varsity. General game format shall be as described by USA Hockey, with the exceptions noted below.

6.2 Game Day Roster List

Verification of hand-written score sheet must be done by each team. Entering or verification of the rosters will be required 15 minutes prior to game time. Any suspended players, or injured players, not participating in the game must be emailed to the League Registrar within 4 days of the games completion. Failure to do so may result in a penalty to the team's HEAD COACH. This penalty is at the discretion of the LAKHSHL Commissioner.

6.3 Five Goal Rule

If during the third period of a League Game, the score differential reaches five (5) goals, the game clock shall be operated using a running time format until such time as the differential is reduced to two (2).

6.4 Jerseys

6.4.1 All League teams shall have two sets of matching jerseys, one white or light-colored and one dark. All teams must notify the League of their jersey colors prior to July 1 of each League Year.

6.4.2 The designated home team shall wear dark colored jerseys.

6.4.3 Temporary numbers may not be taped on to jerseys at any time.

6.4.4 No player may use the numbers 30, 16, 18, 99, 20, or 4 on a game jersey during league play (official LA Kings retired jersey numbers).

6.5 Protective Equipment

6.5.1 All protective equipment required by USA Hockey Rules must be worn by all players on Member Teams for all on-ice League practices and games.

6.5.2 Earpieces and mouth guards must be worn by all players on Member Teams for all on-ice League practices and games.

6.5.3 The League strongly encourages, but does not require all players on Member Teams to wear neck guards for all League practices and games.

A neck guard shall be defined as a piece of protective equipment that is specifically designed to protect the neck and throat area. Sweat bands, socks and similar items are not considered neck guards for the purposes of this Section.

6.5.4 Players are not required to wear the helmet and gloves sponsored by the League during practices and games. If a player chooses not to wear the League sponsored helmet or gloves, the player's helmet and gloves must exactly match the color or colors of the league sponsored helmet and gloves. All helmets must be HECC approved and must have J clips.

6.6 Official Rosters

Players must be rostered on the official roster that is turned into the league. For example, a player must be rostered on both the Varsity and Junior Varsity rosters if you wish to play him/her at both levels. If a player is rostered on the Junior Varsity team's roster and not the Varsity team roster, you are not allowed to call the player up to play varsity. Just because a player is listed on the Junior Varsity roster doesn't mean you can automatically pull a player up to play Varsity. The player MUST be listed on the official roster to play.

The minimum number of players in a program to field one team will be 17, 15 skaters and 2 goalies. Exceptions to this rule are the discretion of the League, teams with less than 17 players must be approved by the League.

6.6.1 Clubs must submit Varsity and Junior Varsity rosters that meet the minimum number of players to the League by July 1st.

6.6.2 Clubs with both Varsity and Junior Varsity teams will have a four (4) game grace period to finalize rosters.

6.6.3 If the team determines a Varsity player would benefit from playing for the JV team, the team has until the end of this grace period to change the team rosters.

6.6.4 Once the 4 game grace period has ended, no Varsity player may be moved to the JV team.

6.6.5 Any player rostered to the Junior Varsity team will be eligible to play games for the Varsity team. JV Players can play up to 4 games with the Varsity team and still remain on the JV roster. Once a JV player plays a 5th game at the Varsity, that player will be locked to the Varsity team and can no longer play in JV games.

6.6.6 All Varsity and JV players are limited to a total of 16 regular season League games regardless of whether it was a JV or Varsity game.

Players that are rostered to a Junior Varsity team will be reviewed throughout the season by the League to ensure that proper level of play. If a player is deemed inappropriate for the JV level, the League will move that player permanently to the Varsity level.

When attending a USA Hockey sanctioned event, outside League events, teams must abide by the USA Hockey Rules where you can only dress two (2) goalies per game.

The minimum number of players in a program to field two teams will be 38, 34 skaters and 4 goalies. For programs with two teams, each team in that program must permanently roster all players on specific teams and each team must have a minimum of 15 players and 2 goalies.

High School Roster limit is thirty (30) and only twenty (20) players may dress for one game per CAHA established guidelines. If a team rosters three (3) goaltenders, the League will contact these goalies to confirm they are aware that there are three goalies on the team, before committing to the registration.

ARTICLE VII **REGULAR SEASON SCHEDULE**

7.1 General

7.1.1 The number of Member Teams, number of League Games each such team plays, times of games, length of season and other elements of the League schedule shall be determined at the discretion of the League.

7.1.2 No Regular Season Game shall be scheduled prior to September 1 or later than the first weekend of March during any League Year.

7.1.3 Each Member Team shall play the same number of Regular Season League Games each Season. If this is to change all teams will be notified in advance.

7.2 Regular Season Game Format

All Varsity Regular Season Games shall be limited to three periods of fifteen (15) minutes utilizing the stopped clock concept, with a five (5) minute warm-up, and an ice cut at the second intermission. All Junior Varsity Regular Season Games will follow the same format, apart from an ice cut. Should the allowed ice slot run short of time, at the point when there are 5 minutes remaining in the allowed ice slot AND the game clock shows 5 minutes remaining in the third period, the game clock will switch to running time. If this occurs in a tied game, the below overtime will take place.

Tied Games- No game shall end in a tie. If a game is tied at the end of regulation then a four on four, 5-minute running clock, sudden death OT will be played. If the game remains tied at the end of OT then a 3-man shootout will determine the winner. Each coach will pick three (3) players to participate. Each of those three players will shoot on the opposing goalie in penalty shot fashion. The Home team coach will elect whether he wants his team to shoot first or second. Once that is determined, the teams will alternate shooters until three from each team have gone. The team scoring the most goals out of the three shooters is the winner.

If an equal number of the three shooters from each team score, each coach will select a 4th shooter (who was not among the original three). The teams will continue to alternate shooters in the order until one shooter scores and the other does not. Each team will continue selecting shooters who have not shot yet, until all players dressed for that team for that game have shot. No player who was serving a penalty at the end of overtime may participate in the shootout. In any one shootout all players, except goaltenders, must shoot once before a player shoots for a second time. The team with the larger roster is allowed to restart the shooting order when the team with the smaller roster restarts their shooting order.

7.3 League Standings - Regular Season

7.3.1 League standings shall be determined by awarding three (3) points for a victory, two (2) points for an overtime or shootout win, one (1) point for an overtime or shootout loss, and zero (0) points for a regulation loss.

7.3.2 In the case of a tie, the following guidelines shall be followed:

7.3.2.1 Tie between **two** teams:

- 1) Most wins in all league games
- 2) Points earned in head to head games between the 2 teams
- 3) Fewest penalty minutes allowed in all league games
- 4) Fewest goals allowed in all league games
- 5) Coin toss

7.3.2.2 Tie among **three or more** teams:

- 1) Most wins in all league games
- 2) Fewest penalty minutes allowed in all league games
- 3) Fewest goals allowed in all league games
- 4) Coin toss

Only those games that count in the League standings will be used for tiebreaking purposes.

7.3.3 At the discretion of the League (and CAHA), the playoffs and/or the regular season may be used to select varsity participants to represent the League at post-season and state tournaments.

ARTICLE VIII LEAGUE PLAYOFFS

8.1 Playoff Format

The League playoff format is affected by numerous factors including the number of Member Teams. Therefore, the playoff format may change from time to time and shall be determined by the League prior to the midpoint of each League Year. However, the following formats (Section 8.2) will be the basis.

The seedings for the play-off brackets will be based upon the above described point system for all league games played. If teams are tied after this seeding process, the tie-breaking rule of 7.3.2 will be used.

8.2 Playoff Game Format

8.2.1 Play-Offs - All Playoff and Championship Games shall be two hour time slots, and shall consist of three periods fifteen (15) minutes utilizing the stopped clock concept, with a five (5) minute warm-up, and an ice cut at the second intermission. Play-Off format will be a single elimination, seeded bracket. The higher seed team in the play-offs will be the designated home team for that play-off game. Sudden death overtime shall be utilized to determine the outcome of Playoff Games in the following manner:

All Playoff Games and the Championship Game, tied at the end of regulation time shall play one (1) Four on Four, five minute, stop-time, sudden death overtime period. If the game remains tied at the end of such overtime, a shoot-out, as described below in section 8.3, will be utilized to determine the winner.

8.3 Shoot-Out Format

8.3.1 Each coach will pick three (3) players to participate. Each of those three players will shoot on the opposing goalie in penalty shot fashion. The Home team coach will elect whether he wants his team to shoot first or second. Once that is determined, the teams will alternate shooters until three from each team have gone. The team scoring the most goals out of the three shooters is the winner.

If an equal number of the three shooters from each team score, each coach will select a 4th shooter (who was not among the original three). The teams will continue to alternate shooters in the order until one shooter scores and the other does not. Each team will

continue selecting shooters who have not shot yet, until all players dressed for that team for that game have shot. The team with the larger roster is allowed to restart the shooting order when the team with the smaller roster restarts their shooting order.

8.4 Game Re-Play

8.4.1 No game, playoff or regular season, will be replayed in part or in full for any reason, including administrative errors by the scorekeeper, officials or league management.

ARTICLE VIII **REGULAR SEASON SCHEDULE – JUNIOR VARSITY**

9.1 General

9.1.1 The number of Member Teams, number of League Games each such team plays, times of games, length of season and other elements of the League Schedule shall be determined at the discretion of the League.

9.1.2 No Regular Season Game shall be scheduled prior to September 1 or later than the first weekend in March during any League Year.

9.1.3 Each Member Team shall play the same number of Regular Season League Games each Season.

9.2 Regular Season Game Format
