2025-26 USA Hockey Registration Now Open

The 2025-26 Officiating Membership opened on May 1, 2025. For all "complete" returning officials, this change should have little to no impact on your membership status as your current memberships remain valid until November 30, 2025. The only serious effect this change will have is delaying some new Level 1 officials from beginning registration as early as they planned. Click the link below to start your 2025-26 Membership.
